- ◆ Portable Dass AQUA S6 model, Heavy-duty Dass AQUA S18 model, and AQUA S2, which only provides continuous steam.
- ◆ State-of-the-art steam cleaning technology for professional service.

[REVIEW THE PRODUCT](#)

The Aqua S18 is an industrial carpet and upholstery cleaning machine that combines steam, hot water, cold water, and vacuum features in a single unit. This powerful machine is effective at cleaning textile surfaces such as upholstery, chairs, beds, and carpets, as well as hard surfaces like kitchens, bathrooms, and radiators.
